## Letter of Appreciation

Arijeet Patil is a social, humble and fun-loving child. He loves to interact with students and adults as well and make new friends. He is keen of experiencing new avenues. He is a responsible and dedicated child. He is very passionate about learning, exploring and sharing his thoughts to empower himself and the differently abled community.

He has conducted sessions with the students of The Victoria Memorial School for the Blind. During the interactive session, Arijeet shared his personal experience of how he has overcome obstacles and pioneered his dreams. Some of the discussions with the students were about:

- His selection of subjects like math and Science during his Grade 10
- His career choices despite the challenges in the system.
- Working hard towards achieving his dreams without buckling under pressure.
- His future career goals and planning towards it.
- Advocating through inequitable metrics with allies.

Arijeet was also a part of the awareness session for parents talking about 'overlooking disabilities and focusing on the abilities', the parents were motivated after interacting with Arijeet knowing the challenges he has faced, and about his journey of overcoming the hurdles and exceling.
